

# DSL2019

*15<sup>th</sup> International Conference on Diffusion in Solids and Liquids  
ATHENS (Greece) from 24-28 June, 2019*

---

**Jun Luo** received his BS (2001) and PhD (2006) from Tsinghua University, China. Then, he worked as a postdoc in Warwick University and a research fellow in Oxford University, UK. In 2011, he joined Tsinghua University as an associate professor and was granted "National Program for Thousand Young Talents of China" (namely the 1000-plan for young talents). In 2015, he moved to Tianjin University of Technology (TUT) and is a full professor and the director of Center for Electron Microscopy with an aberration-corrected STEM and other five electron microscopes in TUT. His research focuses on low-dimensional materials and electron microscopy. He has published more than 60 papers on Nature Energy, Advanced Materials, Angewandte Chemie International Edition, ACS Nano, Nano Letters, Nano Energy, Advanced Functional Materials, etc.
